Issue 354 - January 2020

## New Year Cheers

After all that feasting, drink and merry making we are kicking off 2020 with ... well more of the same.

To ease our way into the year we are combining our monthly meeting with a low key BYO BBQ from 6pm on Wednesday Jan 15. Bring your favourite flambé food and relax. **Sandy Watson** will MC and **Michael Bucknell** is exhibiting iPhone pictures in the gallery.

As a special treat we'll unpack our new Elinchrom studio lighting set for everyone to admire.

This is a brief post-holiday edition of Flash which serves to simply recap December and promote our next events

December finished off the year in style with a well-attended Christmas Party where **Andy Rogers** MC'd and patron **Gordon Undy** exhibited his Black and White magic on the mezzanine level. And of course **Dick Dallimore** juggled all the hot food across the BBQ.

On the out-and-about front several PPP members were on hand at the **Corner Gallery** in Stanmore to view prints from photographers **Tony Egan, Philip Bell, Bob Kersey** and **Adrian Cook**.
